

TENTATIVE SCIENTIFIC PROGRAM

Monday, May 4		
17:00 – 19:00	Registration Posters placing	Registration Desk Noble Hall sides
Tuesday, May 5		
09:00 – 10:00	Registration Posters placing	Registration Desk Noble Hall sides
10:00 – 11:00	Opening. Opening Lecture on Genetics	Noble Hall
11:00 – 11:30	Poster Session and Coffee break	Noble Hall sides and Restaurant
11:30 – 13:30	<u>Oral Session 1. Biodiversity: genetic resources; domestication and evolution</u>	Noble Hall
13:30 – 15:30	Lunch	Restaurant
15:30 – 18:00	<u>Oral Session 2. Genetics improvement of quality and agronomical; genotype x environment interaction; molecular breeding for seed protein content; mutagenesis</u>	Noble Hall
18:00 – 20:00	Social Programme	Pending
Wednesday, May 6		
09:00 – 11:00	<u>Oral Session 3. Reproductive biology; growth regulation</u>	Noble Hall
11:00 – 11:30	Poster Session and Coffee break	Noble Hall sides and Restaurant
11:30 – 13:30	<u>Oral Session 4. Resistance to biotic and abiotic stresses; ecophysiology</u>	Noble Hall
13:30 – 15:30	Lunch	Restaurant
15:30 – 17:30	<u>Oral Session 5. Genetics; identification of genes for seed protein content, genomics and proteomics of storage proteins</u>	Noble Hall
17:45 – 20:15	Social Programme	Pontevedra downtown
20:45 – 23:00	Social Programme	Restaurant
Thursday, May 7		
09:00 – 11:00	<u>Oral Session 6. Crop production: cropping systems; symbiotic interaction legumes-rhizobia and nitrogen fixation; fertilization; weed control</u>	Noble Hall
11:00 – 11:30	Poster Session and Coffee break	Noble Hall sides and Restaurant
11:30 – 13:00	<u>Oral Session 7. End uses: plant proteins for food and feed; nutritional security and health; biofortification; protein intolerances and allergies; processing</u>	Noble Hall
13:00 – 13:30	Closing	Noble Hall
13:30 – 16:00	Free afternoon	
16:00 – 21:00	Social Programme	Pontevedra surroundings
